PROFILE

With over 4+ years of experience in the industry, I am a dedicated and detail-oriented Graphic Designer/UIX Designer. Through my tenure, I've developed strong skills and a clear vision for design. I am excited to apply my technical and creative skills in fast-paced work environment.

EXPERIENCE

● LINK PLUS

MARCH 2024- PRESENT

SENIOR/ LEAD DESIGNER

Working as a Senior/ Lead designer at Link plus since one & half year where I am actively involved in managing products for different stores, store related design and design for the website while actively working as a front end designer as well.

1. Leadership and team management:

- Led a cross functional team of 9 designers, delegating tasks, Mentoring Juniors designers and Hire a new team member was my major tasks.
- Collaborated closely with stakeholders to align design strategies with business goals

2. UI/UX & Front-End Design:

- Designed User Centric Interfaces for e-commerce website using ODOO
- Developed front-end components using ODOO, HTML, CSS while maintaining brand consistency across all formats

3. Graphic Design and & ERP integration:

- Created graphics for a ERP supporting the management of 10,000+ products SKUs.
- Designed all of the visual assets for e-commerce platform

4. Product Management and Logistics:

- End-to-end product management for 10000+ products within ODOO ERP software ensuring inventory management
- Monitored a product listing daily including launching time, promotion and its updates.
